

2007 Fly Fishing Catalog

StreamWorks is a company that was born with its feet in the water. Our founders are avid fishermen with over 70 years of combined experience. They developed the idea for StreamWorks over countless casts, with the strong conviction that many aspects of fishing gear could be improved upon. No revolutionary concepts or space age breakthroughs, just a dash of innovation. Simple innovations through product design and manufacturing to make gear better — and *smarter*.

LIFETIME GUARANTEE
Fish with confidence! StreamWorks is committed to providing our customers with high-quality fishing and outdoor gear manufactured to offer excellent value and a lifetime of satisfaction. Every item we make is fully guaranteed against defects in workmanship and materials to the original purchaser. StreamWorks will replace any product that is proved defective under normal use.

VESTS, HATS & ACCESSORIES

Lighted Nipper Plus™

Lighted, multi-purpose tool illuminates, cuts, sharpens, and threads hooks and lines with convenient push-pull switch

Ergonomically designed fishing line cutters with sealed water resistant light that focuses through the cutters, illuminating the eye of the hook or tag end of the leader. Removable tool sharpens or threads hooks and removes glue and paint from the eye of the hook.

- Hardened edge stays sharp for reliable cutting
- Built-in magnet holds flies during tippet replacement
- Eye cleaner quickly cleans hook eyes
- Each nipper includes a handy, removable multi-purpose tool

SWTL02-1 Lighted Nipper Plus – Hook File
SWTL02 Lighted Nipper Plus – Threader

Nipper Plus™

Multi-purpose tool cuts, sharpens, and threads hooks and lines

Ergonomically designed fishing line cutters with removable tool that sharpens or threads hooks and removes glue and paint from the eye of the hook.

- Hardened edge stays sharp for reliable cutting
- Built-in magnet holds flies during tippet replacement
- Eye cleaner quickly cleans hook eyes
- Each nipper includes a handy, removable multi-purpose tool

SWTL01-2 Nipper Plus – Hook File
SWTL01 Nipper Plus – Threader

Lighted Stainless Steel Pliers

High quality pliers illuminate objects, shear wire, cable and mono, and last a lifetime

The Streamworks lighted stainless steel pliers with the tungsten carbide cutting jaws is designed to perform in low light and extreme environments. The ergonomic design maximizes clamping pressure while reducing hand fatigue. The long lasting, built-in sealed white LED focuses through the jaws of the pliers illuminating the work area. Replaceable, diamond hard tungsten carbide jaws shear cable, braided line, wire and even 6x monofilament quickly and evenly, without leaving an edge. The pliers is completely saltwater safe.

- Uses off-the-shelf (4) batteries-included
- Constructed from high quality marine grade stainless steel
- Non slip rubber grips for added comfort
- Sealed, white LED provides a lifetime of bright light
- Comes in all weather cordura case with coiled lanyard

SWTL19 Lighted Stainless Steel Pliers

Cordura Holster
and Coil Lanyard

Forceps with Power Jaws™

De-barb hooks and crimp split shot

A patented combo tool with unique lateral Power Jaws that de-barb hooks. Provides the gripping power of pliers eliminating the need to carry two tools.

- 5" stainless forceps aid in holding, de-barbing and removing hooks. Also great for crimping split shot
- Unique, patented Power Jaws provide pliers crimping power for flattening larger hooks
- Combination ribbed and smooth surface for large or small hooks

SWTL07 Forceps – Gold
SWTL07-1 Forceps – Black

SWTL07 Gold

SWTL07-1 Black

Scissor-Forceps with Power Jaws™

De-Barb hooks, crimp split shot and cut Dacron® and gel-spun line

A patented combo tool with unique lateral Power Jaws that de-barb hooks. Provides the gripping power of pliers eliminating the need to carry two tools. Serrated scissors in the jaws cut the toughest braided line.

- 5.5" stainless forceps aid in holding, de-barbing and removing hooks. Also great for crimping split shot
- Combination ribbed and smooth surface for large and small hooks
- Hardened stainless steel scissors with micro serrated edges for cutting Dacron and gel-spun line

SWTL15 Scissor-Forceps – Platinum
SWTL15-1 Scissor-Forceps – Black

SWTL15 Platinum

SWTL15-1 Black

Curved Forceps with Power Jaws™

De-Barb hooks, crimp split shot and clean hook eyelets

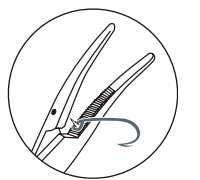

A patented combo tool with unique lateral Power Jaws that de-barb hooks. Provides the gripping power of pliers eliminating the need to carry two tools.

- Curved stainless steel jaws make handling and removing smaller hooks and flies easy!
- 5" stainless steel forceps aid in holding, de-barbing and removing hooks. Also great for crimping split shot
- Combination ribbed and smooth surface for large and small hooks

SWTL24 Curved Forceps – Black

Eye Cleaning Tool

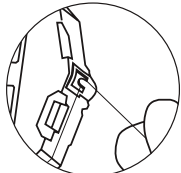

Modular Tippet Dispenser

Handy dispenser organizes, cuts and indexes tippet spools

Our innovative Modular Tippet Dispenser is easy-to-use, versatile, and expandable. No more fumbling for the right size tippet. This precision molded dispenser manages one or more tippet spools in individual, clearly labeled, interlocking modules with built-in line cutters.

- Tippet modules interlock to form an expandable system
- Index reference window makes tippet size identification quick and easy
- Built-in line cutter on each module
- Tension arms prevent spool backlash
- Rubberized line guide keeps tippet end accessible
- Swivel Clips (2) are included providing easy attachment to any D-ring

Built-in Line Cutter

Tippet Indexing Window

SWTL04 Modular Tippet Dispenser

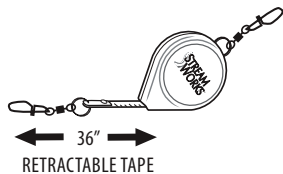

Zinger Plus™

Handy tool retractor with the added convenience of a 36" measuring tape

A high quality, retractable, 36" (39mm) corrosion resistant steel measuring tape that doubles as a convenient retractor for holding nippers, forceps, lights and other fishing tools.

- Metal zinger doubles as a 36" tape measure-metric scale included (39mm)
- Handy for measuring fish length & tippet
- Allows attachment of other fishing tools
- Corrosion resistant
- Attaches to any D-ring

36" RETRACTABLE TAPE

SWTL05 Zinger Plus

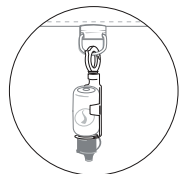

Fly Liquid Bracket

Holds a variety of fly liquids or gels

Precision molded bracket is designed to hold floatant and other solutions in an easy view inverted position.

- Molded bracket is virtually indestructible
- Design holds most bottle sizes
- Swivel Clip secures bracket to any D-Ring

Bottle hangs upside down from any D-ring to dispense liquid

SWTL11 Fly Liquid Bracket

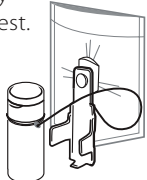

Fly Powder/Spray Bracket

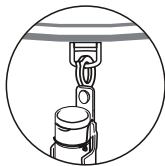

Creates a holding area on the chest for fly powder or spray

Precision molded bracket with elastic tether hold fly powder/spray conveniently and securely on the chest.

- Teflon ring and durable elastic tether attach to most bottles preventing loss
- Swivel Clip secures bracket to any D-Ring
- Spring tension bracket fingers hold bottles securely when not in use

Ring and Tether Prevent Product Loss

Swivel Clip Holds Bracket on D-Ring

SWTL10 Fly Powder/Spray Bracket

NEW

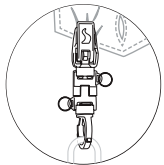

Clip-On Multi Fastener (UCS II)

Creates multiple attachment options

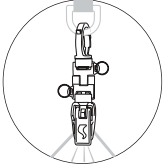

Versatile system clips or clamps onto garments, vests, backpacks, luggage, tackle boxes, belt loops, D-rings and many other items. Great for holding hats, jackets, gloves, keys, towels, water bottles, etc.

- Locking padded jaws grip firmly without puncturing fabrics
- Swivel-clip rotates 360° and snaps securely onto D-rings or other items
- Unique hinge design enables both clip and clamp to swivel independently providing freedom of movement

SWTL21 Clip-On Multi Fastener

Clamp grips firmly onto most garments

Swivel Clip secures to any D-ring

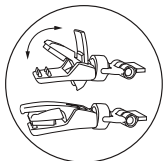

Clip-On D-Ring (UCS)

Creates D-ring on most garments

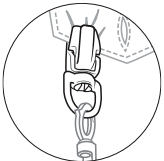

Versatile clamp holds securely on most garments creating a universal D-ring.

- Locking padded jaws grip firmly without puncturing fabrics
- Works well on heavier garments
- D-ring swivels for added convenience

SWTL09 Clip-On D-Ring

Jaws open wide for easy attachment

Clamp grips firmly onto most garments

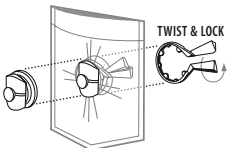

Garment Attachment D-ring (U-FAS)

Creates D-ring on most garments

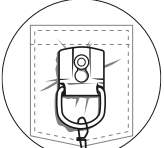

Uniquely engineered post and D-ring fasten to most garments with a Twist-and-Lock retaining clip.

- Provides a stable and secure D-ring on most lighter garments
- Twist-and-Lock retaining clip makes attachment secure and easy

SWTL08 Garment Attachment D-ring

Twist-and-Lock ring secures Attachment post

D-ring mounts on Attachment post

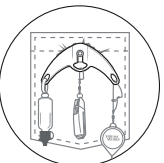

Chest Tool Holder

Creates chest lanyard to hold multiple tools

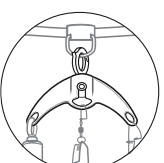

Chest Tool Holder creates a holder to hang multiple tools on your chest where they are more visible and accessible. Chest mounting eliminates safety concerns associated with neck lanyards.

- Ergonomic design holds and balances multiple tools without tangling
- Attaches to most garments with Garment Attachment Device
- Swivel Clip works on all D-rings and other items

SWTL06 Chest Tool Holder

Mounts to Garment Attachment post

Swivel Clip secures to any D-ring

Fly Holder — Magnetic

Secure storage and convenient access to flies on your chest

Unique, compact hinged box holds flies conveniently on the chest for quick fly replacement, and drying. The stylish ergonomic design opens easily with one hand and forms a platform to quickly view and access flies. The closed holder prevents flies from becoming dislodged and lost.

- Magnetic plate holds flies securely.
- Opens with one hand
- Secures with Swivel Clip to any D-ring
- Secures to any garment with Garment Attachment Device

Size: 3 1/4" x 2 1/4" x 13/16" (83mm x 57mm x 21mm)

SWBX04 Fly Holder — Magnetic

Magnetic plate holds flies securely

Fly Box – Small

Virtually Indestructible Fly Storage and Multi-tool

The smaller version of our Medium Fly Box, with fly threader and eye cleaning tool to simplify attachment of fly to leader.

- Precision molded, clear polycarbonate box withstands the harshest conditions
- Durable ripple foam protects and holds flies securely
- Includes Multi-Tool which incorporates a handy eye-cleaning needle and fly threader

Size: 4" x 3" x 1" (102mm x 76mm x 25mm)

SWBX02 Fly Box – Small

Fly Holder — Foam

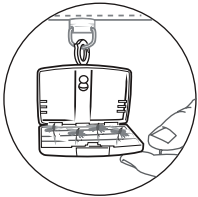

Secure storage and convenient access to flies on your chest

Unique, compact hinged box holds flies conveniently on the chest for quick fly replacement, and drying. The stylish ergonomic design opens easily with one hand and forms a platform to quickly view and access flies. The closed holder prevents flies from becoming dislodged and lost.

- Opens easily with one hand
- High density foam holds flies securely in place
- Swivel Clip attaches to any D-ring
- Secures to any garment with Garment Attachment Device

Size: 3 1/4" x 2 1/4" (83mm x 57mm x 21mm)

SWBX03 Fly Holder – Foam

Foam insert holds flies securely

NEW

Streamside Kit I™

Fly Box, Line Cutter & Retractor

An economical combination of our primary fishing tools packaged in our indestructible fly box. Includes our Nipper Plus—a revolutionary line cutter and removable Multi-Tool with eye cleaner and hook file. Also included is our Zinger Plus—a convenient tool retractor with a rust resistant metal tape measure.

- Fly Box with Multi-Tool Hook File
- Nipper Plus Multi-Tool
- Zinger Plus

Size: 6" x 3 7/8" x 1 3/8" (152mm x 98mm x 35mm)

SWKT01 Streamside Kit I

Fly Box – Medium

Virtually Indestructible Fly Storage and Multi-Tool

This virtually indestructible fly box will not crack or yellow like the competition. Ergonomically designed for style and function. Includes a Multi-Tool conveniently stored in the box hinge.

- Precision molded, clear polycarbonate box withstands the harshest conditions
- Durable ripple foam protects and holds flies securely
- Includes Multi-Tool which incorporates a handy eye-cleaning needle and hook file

Size: 6" x 3 7/8" x 1 3/8" (152mm x 98mm x 35mm)

SWBX01 Fly Box – Medium

NEW

Streamside Kit II™

Fly Box, Lighted Line Cutter & Scissor-Forceps

A great combination of our most popular tools packaged in our indestructible fly box. Includes our Lighted Nipper Plus—a revolutionary line cutter with LED light for illumination. The Scissor-Forceps combine our patented Power Jaws for crimping hooks and a scissors with hardened, micro serrated cutting edges.

- Fly Box with Multi-Tool Hook File
- Lighted Nipper Plus
- Scissor-Forceps with Power Jaws

Size: 6" x 3 7/8" x 1 3/8" (152mm x 98mm x 35mm)

SWKT02 Streamside Kit II

Lightweight Pullover Vest

Ultralight, full featured vest with a convenient, strategically mounted magnetic fly holder

The pullover design of this ultra lightweight mesh serape eliminates the front zipper and puts five functional pockets right in the work zone. Our unique "Chest Fly Holder" is included and provides a convenient platform for quick fly replacement and drying.

- Easy access rear cargo pouch
- Easy side adjustments allow comfortable fit for men and women in three sizes
- Keeps boxes dry; ideal for deep wading
- Coolest, lightest vest available

SWCL01 Lightweight Pullover Vest – Small/Medium

SWCL02 Lightweight Pullover Vest – Large

SWCL04 Lightweight Pullover Vest – X Large

Neoprene Utility Pocket

Water resistant neoprene pocket attaches to wader suspenders, belts, shoulder bags and other straps. Seals and protects sunglasses, cameras, cell phones, etc., from the elements.

- Padded neoprene protects valuables
- Two zipper system opens wide for easy access
- Front Velcro pocket provides added storage for smaller items like keys.
- Handy D-ring on pocket front is great for attaching Zingers and other tools

SWCL05 Neoprene Utility Pocket

License Holder

Clip-On License Holder with D-ring

Keeps license protected and visible with easy Clip-On fastener. Attaches to any garment.

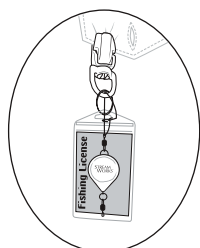

- Handy D-ring allows for attachment of multiple tools
- Fastens securely to any garment
- Clear vinyl pocket protects license

Comes in 24 pack counter merchandiser

SWTL13 License Holder

Counter display holds 24 licenses
